

Make your PROJECTS HAPPEN with

“Bruges” is a small family business, owned and operated by 2 Belgian families with kids and students. That’s how we constantly see the need for help with projects at their schools or sportsclubs. Today, our Bruges family would love to be part of your solution by offering our delicious **FUN-draisers** in one of our locations.

We give **15% on all sales** on the set date and time, so the more friends you bring in, the more you get!

You can apply today at info@brugeswaffles.com and let us know:

1. your organization and initiative
2. your preferred month(s)
3. your preferred location

OR have **Brugesmobile** come to your major annual event. If we reach 750 in sales, we will donate 10% on those sales.
